

THE WALLS

2017 CURIOSITAS CABERNET SAUVIGNON

Behind the Name

Philosopher Thomas Hobbs once stated that “Curiosity is the lust of the mind,” an idea that imagination and divergent thinking are a sought-after experience, something that required inspiration. Here at The Walls, our inspiration is the goal of making curious wine and that is consistently achieved with each vintage of our Curiositas. “Curiosity is the soul of our wines,” says Mike. “It is what drives our willingness to engage in the depths of the complexity of wine and this wine celebrates that. We could make it easier on ourselves, but we must fulfill our curiosity.”
