

THE WALLS

2018 GASPARD

BEHIND THE NAME

Red Mountain, hot during the day with cooler nights, offers the ideal formula for growing amazing fruit.

And amazing fruit leads to beautiful, age-worthy wine. Gaspard Syrah, inspired by the knight who revitalized the Syrah grape in post-Albigensian Crusade France, captures the true essence of Red Mountain. Deep in color, rich in flavor, full-bodied.

A perfect companion to lamb stew or Cassoulet or a good book in a comfortable chair.
