## 2018 STANLEY GROOVY

### BEHIND THE NAME

Who is Stanley Groovy? Some describe him as a delightful, yet regular looking guy. Others portray him as more complex than he lets on, with a hidden “groovy” mentality on the inside.

These are apt descriptors for our mascot here at The Walls, but also describe the wine we named after him.

This blend of intriguing red Iberian varietals from Red Mountain, is named Stanley Groovy because just like Stanley, this wine has a groovy way about it, so “groovy” you will never confuse it with any other wine.
