

THE WALLS

2020 CRUEL SUMMER

What would Summer be without bright, fresh, beautiful rosé? The answer is simple: cruel. Don't let Summer without good rosé happen to you!

The 2020 vintage consists of mostly grenache, but does have about 20% mourvèdre. Skin contact was brief, producing an lightly colored and elegant rosé.

Crisp and light with bright summer strawberries on the nose and the pallet.

This is an impressively refreshing rosé that pairs perfectly with a charcuterie board on the patio. The wine's acidity pairs with a variety of foods but we are also totally happy to enjoy it on its own!

BLEND:
78% Grenache
22% Mourvèdre
