Kyla Haren-Moye developed a passion for community as a youth in the Academy of Children's Theater in Washington State. This laid the groundwork for her ability to do a bit of everything – and her DIY moxie. Kyla also previously managed a cheese shop. We are excited to have a Cheese Monger in our midst, adding a bit of food and wine pairing to our concierge offerings. Kyla lends her professional, dynamic and energetic personality to all sorts of roles at The Walls. We are fortunate to have her on our team!
