## 2020 RIVER ROCK VINEYARD GRENACHE

The wines from River Rock Vineyard have a beautiful purity and a natural tendency toward elegance and polished tannins. Although River Rock is not an estate vineyard for PASXA, our team farms it to the same impeccable standards.

*“The vivid ruby-hued 2020 Grenache River Rock Vineyard is all Grenache and saw 60% whole clusters and was brought up mostly in neutral oak, with 15% new oak. Incredibly floral and elegant, with gorgeous wild strawberry and framboise fruit as well as flowers, rose petals, and spice, it’s medium to full-bodied, ethereal, seamless, and elegant, with incredible polish and purity.”*

*“Sporting a light ruby and blue core with a neon pink rim, this Grenache is a blue-fruited, meaty, and spicy wine that deserves some attention. It sees 15% new French oak during aging and approximately 60% whole cluster during fermentation. Notes of blue raspberry, wild strawberry, peppery herbs, ground pink peppercorn, dried purple rose petals, and some charcuterie tones pop from the glass. This is another fantastic Washington State Grenache that should be sought out for your cellar.”*
